Hi Rob and Frank! I saw that the Independent Living Center case is going to council on Tuesday.

From looking at the court docket, it appears that a settlement agreement was reached earlier this year (May 12, 2016.) Is this the same settlement agreement that will be going to Council on Tuesday? Have there been any significant changes that I should anticipate? And will the City Attorney's Office be able to provide any comment on it after the Tuesday vote?

I'm available on my cell phone, (213) 785-1234. I'm working a Sunday shift but I'll be around Monday as well to talk on background, if either of you can do so. Many thanks!

Emily

Hi Emily:

We can't comment on settlement negotiations.
